

Magic Greens

Art at the Greens

Magic Greens is a unique outdoor facility offering 18-hole miniature golf, bocce ball and washers, full concessions, wine and beer, with party packages available. It is nestled among oak trees, southwestern style streams and water features and native landscaping. It captures a nostalgic feeling from the past with an emphasis on cedar in its construction and old-fashioned picnic tables, statuary and many chimes, sun catchers, gazing balls and gazebos. Please visit our website at magicgreens.com.

Purpose: An event to market local arts and handmade crafts

Note: Full concessions available; Music 5p-7p – Rip Lorick Band “alternative honky tonk”. He encompasses everything from country, blues, rock, jazz, folk, reggae and funk into his songs.
